

UCITYLAB Consortium Partners

The UCITYLAB Project brings together partners made up of universities, business schools and a European innovation network from five countries in Europe. Extensive knowledge and expertise of each partner ensures achievement of the project goals regarding urban stakeholder engagement and curriculum development in a dedicated manner.

UNIVERCITY
ACTION LAB

linking European universities

with urban stakeholders

to address societal challenges

UCITYLAB project aims to link European universities with their urban stakeholders to address societal challenges

How will the project achieve this goal?

Join our Community for University-City Engagement

Are you involved in a university-city initiative to tackle urban challenges via student projects, or research? Join our UCITYLAB Network through our LinkedIn page to share experiences, exploit our resources, and stay informed with our results
